

# Cadet Teaching - Family and Consumer Science

Mehlville School District  
Family and Consumer Sciences  
Grade 12, Duration 1 Semester, .5 Credits

## Rationale

This course is designed to provide an opportunity for exposure to the field of Family and Consumer Sciences education. The student will develop the leadership and organizational skills needed in any working environment.

## Scope and Sequence

Timeframe	Unit	Instructional Topics
-----------	------	----------------------

### Course Description

Cadet Teaching gives the student the opportunity to participate in many activities that will both familiarize him/her with the teaching process as well as strengthening his/her own family and consumer sciences skills. The student will help prepare lessons, tests, and lab experiences. The cadet teacher will also assist small groups of students.

### Prerequisites

Prerequisite: "B" or better in previous applicable family and consumer science classes and approval of classroom teacher and department chair

Open to: 12

Credit:  $\frac{1}{2}$ ; Unit - One Semester (Elective)

Career Path: Human Services

### Course Objectives

1. The student will observe and analyze (from readings and observations) effective teaching methods and classroom management with fewer than 6 absences per semester. (CA4; 2.3, 3.3) (A+: Research)
2. The student will complete assigned written work projects and will meet deadlines with a 90% completion standard. (FA1; 4.5, 4.6) (A+: Writing)
3. The student will be able to tutor peers in both group and individual settings with 80% accuracy. (CA6; 4.4, 4.6) (A+: Speaking)
4. The student will read various articles pertaining to the course in which he/she is a cadet. (CA3; 1.3; HPE2; 4.7) (A+: Reading)
